中文科作品

增圖造句：
請用「又……又……」造句，並繪上圖畫。
例：月亮又圓又大。

燈盞又明亮又好看

1A 畢芷瑜

增圖造句：
請用「……也……也……」造句，並繪上圖畫。
例：我會刷牙，也會洗澡。
姐姐會唱歌，也會跳舞。

姐姐會唱歌，也會跳舞

1B 羅文希

增圖造句：
請用「……幫……」造句，並繪上圖畫。
例：妹妹幫媽媽做家务。
姐姐幫媽媽拖地。

姐姐幫媽媽拖地

1C 陳貝瑜

試把鬼臉的特徵寫出來。

他的眼睛張開得又大，用雙手把眼皮向下拉，眼珠子佈滿紅紅的血絲。他的嘴巴張開得大大的，好像很吃驚的樣子。

3C 李海正

遊屯門公園

十二月二十二日，天氣晴朗，我和同學們乘坐旅遊巴前往屯門公園參加學校旅行。

到達後，首先，我們參觀爬蟲館。我看到兩種動物——蛇和烏龜。蛇有長長的尾巴，它利用腹鱗和肌肉的縮放移動。烏龜的外形是橢圓形的，它利用四肢慢慢向前爬行，非常可愛。接著，我們向前方走，走到玫瑰園，看見各種不同顏色的玫瑰花。我特別喜歡紅玫瑰，它像紅紅的太陽照耀著我們。

然後，我們肚子餓了，便一起到小食亭購買食物。我買了一件三文治和一罐可樂，吃得津津有味。最後，我們到兒童遊樂場遊玩，有的人在盪鞦韆，有的人在玩滑梯，有的人在追逐，大家都玩得很開心。

到了下午三時，我們收拾好物品，便懷著依依不捨的心情離開了。通過這次旅行，我認識了不同種類的動植物，獲益良多，希望明年可以再來這裏遊玩。

3D 趙孟湘

松鼠要回家

有一天，松鼠媽媽帶孩子們到森林市集買東西，三隻小松鼠跟媽媽說：「我們想自己去買些文具。」結果他們去了看玩具。

他們買完東西，就準備回家。在回家的路上，三隻小松鼠不小心迷路了，加上天色開始灰暗，正當小松鼠們擔心怎麼辦的時候，小松鼠看見兔先生正在散步，三隻小松鼠走到兔先生的旁邊問：「兔先生，您可以教我們怎樣回家嗎？」

兔先生說：「可以啊！」然後他帶三隻小松鼠到橋邊說：「走過這條橋，你們就可以回到家了。我還有事，就不送你們了。」

小松鼠很怕過橋，因為橋會搖晃。鄰居熊醫生剛好路過這裏說：「小松鼠們，我可以抱你們過橋，過了橋就能到家了。」

小松鼠們向熊醫生說：「謝謝你，熊醫生！」

最後，小松鼠們順利回到媽媽的身邊。

3E 羅子瑩

媽媽生氣了

上星期天，我不小心打破了家中的花瓶，媽媽發現後非常生氣。

那天早上，我和弟弟在客廳玩耍。弟弟提議一起打羽毛球，我同意了，於是我們拿出羽毛球拍在客廳打羽毛球。我們來回打了幾下，可高興呢！

正當我們得意忘形的時候，羽毛球被打到電視櫃旁邊的小花瓶上，只聽見「砰」的一聲，花瓶被擊落在地上，碎片灑落一地。我和弟弟都感到很慌張，媽媽聽到聲音後，從廚房走出來，發現花瓶被打爛後非常生氣，問我們：「究竟發生了甚麼事？是誰做的？」我們吞吞吐吐地說：「媽媽……是……是我們做的，我們在客廳打羽毛球，不小心把花瓶打破了，請您原諒我們。」媽媽看到我們誠實認錯，慢慢冷靜下來，叫我們要汲取教訓，不能再這樣貪玩。我和弟弟都羞愧不已。

最後，在媽媽的協助下，我們把花瓶的碎片打掃乾淨。經過這件事，我明白了一個道理——做事要三思而後行。

4A 陽梓玥

遊校園

我的學校位於離島區東涌，學校周邊環境寧靜舒適，非常適合讀書。現在就讓我帶大家來參觀我的校園吧！

進入校園後，我們會先看到操場，操場上有國旗、領獎台、籃球場……這裏是我們進行各式各樣體育活動的場地，也是我們在課間休息時嬉戲的活動場所。小息時，我們會跳繩、玩二人三足、跳方格……真是一個多功能的操場啊！

繞過操場，便到達第一個小花園，這片色彩斑斕的花海吸引了不少同學們的目光和飛舞的蝴蝶。花園裏還有一片「小農夫農田」，同學們可以在多元智能課來這裏種花和種蔬菜，種植不僅讓我們體驗了勞動的樂趣，還讓我們明白了農夫伯伯辛勤的付出。

爬了三層樓梯，便會到達音樂室，這裏有各式各樣的樂器，例如：琵琶、大提琴、鋼琴……樂器多得像展覽室。音樂室最特別的就是鋼琴形狀的桌子，我們有時候還會在音樂室演奏樂器呢！我最喜歡聽老師彈鋼琴，琴聲不僅悅耳動聽，還有各種不同類型的風格呢！

學校還有很多特別有趣的地方，例如：圖書館、視藝室、禮堂……我愛我的校園！真感恩能在這樣的校園學習。

週記一則

十月十一日至十月十七日

這個星期發生在我身上的事情有喜有悲，真的很難忘！

這個星期的測驗終於完結了，回想之前努力溫習和做功課，真的很辛苦！現在，終於不用溫習，可以放鬆一下了！

可是，到了派卷的那一刻，我卻擔心不已。首先，老師派了中文卷，七十四分；然後是英文卷，八十九分；數學卷，八十六分；最後派發的是常識卷，是九十九分！當時我大吃一驚，我沒想到我的常識科成績居然是全班最高分的。當我聽到這個喜訊，便迫不及待想告訴爸爸媽媽。後來我回到家，就立即說給爸爸媽媽聽。他們聽到了，反應跟我一樣——大吃一驚！

派過卷後，我終於可以放鬆一下，可以盡情玩耍了！我騎着心愛的單車到附近的單車徑來回繞圈子。我一面騎單車，一面哼着歌兒。可是，我沒有看清楚前面……砰！我不小心撞到了欄杆。我受了傷！手手腳腳都被擦破了。我不禁流下眼淚。

這週的心情高高低低，有喜有悲，真是難忘啊！

日記一則

九月一日 星期三 晴

今天是學校開學日，我的心情非常緊張，因為我是一位插班生。當我走近學校的門口時，我看見很多同學上學，然後爸爸帶我去課室，到達後，我看見自己就讀的班別——四丙班。

進入課室之後，班主任黃老師用溫柔的語氣對我說：「早上好，你叫甚麼名字？」我回答她說：「我叫倪芷悠。」因為黃老師的語氣很溫柔，所以令我緊張的心情立刻放鬆了不少。

今天上的第一節課是中文課。當林老師叫全班同學拿出暑期作業時，她看見我的桌子上沒有暑期作業，所以就問我為什麼沒有暑期作業。當時我只是細聲地回答說：「因為我是插班生。」最後，林老師知道了，便輕輕地點了點頭，還叫全班同學拍手歡迎我。

今天，我成功克服了緊張的心情。放學時，我還認識了很多班中的同學，真的很開心及難忘呢！我期待着新的校園生活。

4D 劉卓希

我最喜愛的同學

今天，我要介紹我最喜愛的同學。說到我最喜愛的同學，我的腦海中會不假思索地出現了一個人的身影，沒錯，就是陳浩駿了！

陳浩駿的身材中等，頭髮濃密，面龐圓圓的。他有一雙小小的眼睛和一個高高的鼻子，衣着打扮一本正經的。

陳浩駿熱愛幫助朋友，他常對大家說：「四海之內皆兄弟，如果你有困難，我一定會幫助你的。」記得有一次，班長手持很多課本，他馬上上前幫忙。除此之外，他還會主動幫助老師派功課。

浩駿亦是一個很有愛心的人。有一次，他看到一隻流浪貓在家附近徘徊，就將這隻流浪貓帶回家裏養。還有一次，有個小孩子在哭，他便走上前問過究竟。小孩說：「我和媽媽走散了。」浩駿馬上帶他到警察局找警察幫忙。看見小弟弟重遇媽媽時，浩駿便露出一個甜甜的微笑。

我很欣賞陳浩駿有愛心及樂於助人的性格，真值得我學習！我希望能把他這份愛心和熱心傳開去。

4E 蔡沛舜

日記一則

九月二日 星期四 晴

今天是開學日，我和同學們精神奕奕地到禮堂參加開學禮，學校安排了升旗儀式、校長講話和老師講話。

回到課室後，班主任何老師介紹了自己，原來她是教我們英文科，她個子不高，但也不算矮，有一張橢圓形的面龐。

在新的一班裏，有些同學是我認識的，有瑛琦、子軒、恩淇、梓晴、玥如和阿朗等，他們都是我三年級的同班同學，很高興我們又可以再一起上課了！

新學期開始了，我認識了很多新同學，也有很多舊同學一起學習新的知識。我感到既興奮，又緊張。期待在新的學期，我們好好學習，互相幫忙，希望大家的學業步步高陞。

4F 林敬軒

記一件幫助別人的事

幫助別人是一件非常快樂的事，所謂「施比受更有福」，意思就是有能力幫助別人的人，比接受幫助的人更幸福。

我在一星期前曾幫助過別人。記得在小息時，我看見一個一年級的小朋友在操場上大哭，我就急忙地走過去問他：「你為什麼哭？」但他仍然哭個不停，而且說不了話。這時，我發現他的右腳受了傷，傷口流血了。我便小心翼翼地扶他去醫療室。然後，書記姐幫他清理傷口和包紮。他的樣子顯得很辛苦，我也覺得他很可憐。

最後，小朋友的心情平伏了，他報以我一個非常感激的笑容說：「風紀姐姐，謝謝你！」我心裏感到十分高興。

幫助別人是一件十分快樂的事，大家也要常常幫助別人啊！

5A 李樂瑤

日記一則

四月二十六號 星期六 晴

今天的太陽像一個大火球高掛在空中，一絲風都沒有。花草都無精打采地低着頭，昏昏欲睡的柏油路都被曬得軟綿綿的，印上了一條條深深的車輪印。我走在放學的路上，雖然帶着帽子，但仍然汗流浹背。唉！此刻要是能吃杯雪糕解熱，那該多好啊！

就在這時，我看見前面有一群人正在賣雪糕，便擠進人群買了一杯。我咬了一口雪糕，哇！真舒服！我隨手把雪糕紙一扔，雪糕紙飄飄蕩蕩，正好落在果皮箱外面。我本想跑過去撿，但轉念一想，還是算了，不就是一張雪糕紙嘛！於是我就啃着雪糕，繼續往家裏趕。

走了大約十米的時候，我看見一個小男孩正舉着一杯雪糕向媽媽跑去。「媽媽，給你。」他一邊跑，一邊喊。跑到媽媽跟前，他一隻手把雪糕送到媽媽嘴裏，另一隻手把雪糕紙扔到了地上。她的媽媽注意到了，說：「土地公公和你一樣愛乾淨，你把他的衣服弄髒了，祂會生氣的。」小孩說：「我現在就把它扔進果皮箱裏。」看到這情景，我的臉一下子就紅了。我嘴裡的雪糕突然一點涼意都沒有。我走向果皮箱，把我扔的雪糕紙撿了起來，扔進果皮箱裏。

今天我學會了不能亂扔垃圾，我決定要為保護環境出一份力。

4G 薛梓妍

記一件幫助別人的事

上星期，我幫助了我的同學黃子欣，我感到很愉快。

事情是這樣發生的：在我放學回家的路上，我一邊走，一邊想着中午媽媽會給我煮了甚麼好吃的！突然，我聽到身後有人在叫我，轉頭一看，原來是子欣，只見子欣焦急地走過來說：「薛妍，怎麼辦呢？我書包的背帶斷了，背得很辛苦啊！你能幫我想想辦法嗎？」

我仔細地檢查她的書包，原來其中一條背帶斷了。我突然靈機一動，想到了一個辦法，就是把背帶和扣腰的腰帶綁在一起，我試了好幾遍，幸好結果成功了！子欣看到我把她的書包弄好了，就感激地說：「薛妍，你真聰明呀，謝謝你！」我說：「能幫到你，我也感到非常愉悅。」然後，我們就手拉手地回家了。

回到家後，我把這件事分享給媽媽聽，媽媽稱讚我是個樂於助人的好孩子。今天，我體會到一個道理，就是助人為快樂之本。

流浪狗的自述

我是一隻瘦骨嶙峋、住在垃圾堆的流浪狗。每當有人經過，我都能看到他們眼裏的嫌棄。我常常去寵物店，看看那些人見人愛的小狗。我時常感到徬徨無助，世界這麼大，怎麼就沒有我的容身之所呢？

以前的我是家裏的掌上明珠，可是有一天，我陪媽媽出門買菜。突然，我看到了我最喜歡的狗糧，便開心地跑去，結果我就找不到回家的路了。

以前我每天都能吃得很飽，但是現在我每天都能感受到飢餓的味道，無奈只好吃垃圾堆裏的垃圾充飢。但是世界上不完全只有壞人，每當我來到寵物店，店主便會給我一些東西吃，店主的女兒很喜歡我，會把我帶進寵物店，給我洗一個熱水澡。

最後，我被店主的女兒收留了，我陪她一起寫作業，一起玩耍，一起睡覺，任何事情都一起做。我很幸福！

日記一則

十月九日 星期六 晴

今天，天氣清，太陽剛剛從東方慢慢升起來了。媽媽說今天陽光明媚，可不能浪費呢！爸爸便提議：「不如我們去踏單車吧，這樣既可以做運動，還可以欣賞風景。」我和媽媽都贊成，於是我們便騎上單車從家裏出發。

一路上，我們奮力地踏，感覺腳都不屬於自己了！我們從逸東邨踏到了滿東邨，沿途看到了不少美麗的風景。我們還去了牛凹村，不過去那裏必須經過戶外停車場，那個停車場放滿了車，為了不刮到那些車輛，我們只能小心翼翼地踏，很刺激呢！

途中，我還經過一道橋，那裏的海水清澈得很，都能當鏡子了。見到牛凹村的那一刻真的是苦盡甘來，那裏有許多美麗的蝴蝶和漂亮的花，就像置身在世外桃源一樣，我們都流連忘返。

今天，我覺得很開心，也很充實，更發現只要堅持，完成後就會有很大的滿足感。

流浪狗的自述

大家好，我是小麗，是一隻流浪狗。我是一隻柴犬，今年三歲，近日開始流浪。

主人喜歡上其他狗狗，不再喜歡我了，她把我放在街頭後，就開車走了，我一直追着主人的車，但是車子一直加速，我完全追不上，我實在失望透了！她為了一隻新狗狗就拋棄了陪伴她三年的我，真是狠心！

昔日我毛色發亮，胖得似熊，現在渾身髒兮兮、瘦骨如柴、滿身泥濘，經常食不果腹，忍飢挨餓，瘦得連肋骨都清晰可見。

今天是流浪的第一天，在早晨時份，我聞到一股香香的味道，我試着嗅探味道，我跟隨着香味走到了一個地方。我看見了一個人正在捕捉小狗，又看見地下有一塊新鮮的牛肉，我瞬間明白了一切！原來是個狗販子！我想逃跑時，我跟狗販子四目相對，要是再不及時行動，就會被捉住，我想都不敢想，撒腿就跑。跑的途中我不小心弄傷腳了，傷口滲出鮮血，恐怕我停下來就被捉，只能咬緊牙關繼續拼命地奔跑。跑了很久，我筋疲力盡，回頭看了看狗販子有沒有追上來，我不見任何人的蹤跡，只見傷口的血奔流不息。快昏倒的時候，我眼前迷迷糊糊，隱約看見一個人向我走來……

起來時，我發現自己身在醫院，有很多醫生從我身邊經過。休息了一會，傷口已經止血，我就靜悄悄地離開。走了不知道多久了，我又回到曾經最熟悉的街道，回想起昔日跟主人的點點滴滴，眼淚止不住地掉下來，殘酷的世界把我拉回了現實，我只好一邊走，一邊回想和主人的生活點滴，真的好想回到以前啊！

我回想了一下，是誰在我快昏迷時向我走來呢？我醒來時已在醫院，難道是個好心人？我眼前迎面走來一個人，感覺好熟悉，但是我又從未見過，會不會是那位好心人呢？我就對着他汪汪叫了兩聲，他很冷靜地撫摸我，讓我冷靜下來。「小乖乖，你不能隨便汪汪叫。」他溫柔地對我說。我便點了點頭示意，好心人有事要回家一趟，他便跟我說了再見，我沒有勇氣跟他走。

我真的很期盼有人收養我，有一個安樂的家。哪一位好心人能收養我呢？

有益的榴槤

水果有很多種類，味道各有不同，有甜的、有酸的，都各有捧場的人。今天，我要介紹的是一種特別的水果，有的人討厭它，視之如蛇蠍；有的人卻很喜歡它，視若珍寶。它就是有「水果之王」之稱的榴槤了。

榴槤「外表」堅硬，但「內心」柔軟，所以我們不能「以貌取人」。它看上去就像一隻刺蝟般，滿佈尖刺，令人不敢觸摸，但當你脫掉它綠色的大衣，就能看見那金黃的、誘人的果肉。靠近一嗅，一股濃郁的香味撲鼻而來，一口咬下去，果肉香甜軟綿，真讓人回味無窮，欲罷不能。

俗話語有云：「一個榴槤三隻雞」，由此可見榴槤確實很「滋補」。它含有豐富的維生素B-、B2、B6、C和少量的維生素A。多吃可補充身體的營養。此外，一個榴槤有將近一千卡的熱量，可提供維持身體機能的能量。

榴槤不僅營養豐富，而且美味，所以很多人都喜歡榴槤，甚至將榴槤製成不同的食品，如冰淇淋、甜品、榴槤乾等，可見榴槤大受人們歡迎。

榴槤既好吃又有益，而且食法多樣，獲得「水果之王」的美譽，可謂當之無愧。

有益的奇異果

你有吃過奇異果嗎？奇異果是人們很常吃的水果之一，它外形有趣、味道獨特，而且營養價值高，對身體很有益處。

奇異果的形狀一般是橢圓形的，大小好像一顆大型雞蛋，奇異果的果皮呈纖維狀，顏色為暗綠色或棕色，而果肉是鮮綠色或金色的，果肉內有可食用的黑色種子。奇異果質地柔軟，味道甜而獨特。

奇異果的功效有很多，它富含維生素C及E、鈣、鎂、胺基酸等，可以提供人們一日所需的三分之一營養，除了能幫助人們容易入睡外，同時能提高體內蛋白質的代謝能力，促進身體的組織和皮膚再生，並且有助於改善女性荷爾蒙分泌。另外，它還含有豐富的葉酸、膳食纖維以及低鈉高鉀，有效改善消化不良、食慾不振、關節炎、高血壓和心血管疾病等。

由此可見，奇異果外形有趣、口感獨特，而且營養價值又高，大家記得平日要多吃一點奇異果啊！

日記一則

十月六日 星期六 晴

從遠處看，山是那麼矮小，是那麼容易攀登，可當我登上山頂時，才體會到其中的膽戰心驚。

今天，天氣晴朗，我們一家一起去爬山。踏着登山的步子，我走進一座彷彿原始森林般的山。這座山與我想像中完全不同，十分陡峭。每向前走一步，就如同要跌下去一樣。這種情況動搖了我上山的決心。可是，既然已經踏上了這座山，就要一直堅持到底。我憑着這個信念，繼續登山。在我腦海中，一直認為若自己能克服困難，登上這座山，就很厲害了。不過，當我到達山頂時，看到山頂的石碑上寫着「九百五十二米，路長二千三百一十二米」的時候，我就覺得自己更厲害了。

山頂上有一座高塔，我登上塔後向下眺望，看到雲霧、羣山都在我腳下，「好美啊！」我不由自主地大叫起來。

如果我當初半途而廢，就不會看到這般美景。這也使我明白了一個道理，就是無論做甚麼事都不要輕易放棄。

一節令我印象深刻的體育課

從一年級到六年級，我上了無數節體育課，唯獨有一節課讓我印象深刻，在腦海中久久無法抹去。

自疫情爆發以來，我一直無法往返香港上學，只得每天在家上網課。直到六年級的時候，由於我要參加升中面試，我終於到了香港，並留在香港上實體課。上體育課的時候，黎老師讓我們進行閃避盤遊戲，那是我第一次接觸閃避盤這項運動，所以我十分期待。黎老師介紹基本玩法後，便開始了遊戲，而我和好朋友亦商討了一些戰略——有人負責外部防守，有人負責接住盤子，有人負責投盤……遊戲刺激極了！最後，我和好朋友運用策略，順利地贏了比賽。

事後，黎老師跟我們說：「你們知道為甚麼你們贏了比賽嗎？」我們搖搖頭，他繼續說：「因為你們齊心協力，還會制定策略。希望你們可以記住這次的經驗，這些處事技巧在人生中也可以應用的。」

這堂體育課不僅有趣，而且還讓我學習到人生的道理呢！

最令我欣賞的人

6B 許筠佩

自我有記憶以來，便經常看見妹妹喝着黑黑的中藥，一陣陣藥材的味道，光嗅着便能想像出有多苦。

從小，妹妹的氣管都比別人弱，小時候常常一哭便喘氣，臉色發紫；她還長有濕疹，一抓就會流血，又癢又痛。所以，妹妹經常要塗抹不同的藥膏，甚至出入醫院進行抽血和身體檢查，十分可憐。

每次到醫院服藥的時候，妹妹都不哭不鬧，忍着難受，她還會自覺地避免不吃令她過敏的食物，我覺得她真的很堅強。即使天天吃着苦藥，只要之後給她一顆糖，她又會變得高高興興，彷彿沒有事情發生過一樣。

經過幾年的調理，妹妹的身體已經比小時候強壯了很多，不需要再天天吃苦藥，我真替她感到高興。

妹妹年紀小，但能吃苦頭，比任何人都勇敢，所以她是我最欣賞的人。

我最尊敬的人

6C 李沛茵

我最尊敬的人是媽媽。她身材中等，束有一頭啡色的長髮，眼睛大大的，外表秀氣。

媽媽是個誠實的人。記得有一次，媽媽在超級市場內拾到一個錢包，身旁的一個老太太提議她把錢包拿走，據為己有，但媽媽說不可以。最後，媽媽把錢包交給職員。

媽媽又是個善良的人。有一次，媽媽和爸爸去釣魚，爸爸釣了一條小魚，他高興極了，媽媽卻叫他將小魚放生，因為媽媽覺得這條魚餓得很瘦，實在太可憐了。

我覺得媽媽誠實可靠，從不說謊話，而且她心地善良，所以我最尊敬她。

新編西遊記——悟空和小草

6D 廖文瑜

孫悟空在跟隨唐三藏取西經之前，是一隻十分頑皮的猴子，但其實他也有善良的一面……

這個故事發生在孫悟空大鬧天宮之前，當時孫悟空在花果山當他的大王。漸漸地，孫悟空有了自己的想法，他每天被困着，覺得很無聊。

在一片草地上，小草每天吸收天地靈氣。悟空見小草可憐，便給他一顆人形丹。人形丹是天宮的寶物，服後可以化身成人。小草吃了一顆人形丹，第二天長出了身體和腳，第四天更有了頭和手，他變成了一個人。小草開始在村子裏活動，因為他頭上長有小草，惹來村民取笑。小草很不開心，想變回原狀，悟空跟他說：「給我一百人份量的食物便把你變回原狀。」

小草聽了，便努力地收集食物。過程中，身邊的人都被他感動了，紛紛幫忙。過了三個月，小草終於收集了足夠的食物，還結交了很多朋友。現在的他已經不想變回原狀了。

難忘的中秋節

6E 劉紫晴

中秋節為農曆八月十五，這一天月亮圓滿，象徵團圓。所以，自古中秋節便有賞月、吃月餅的習俗，流傳至今，經久不息。

有一年的中秋節，我跟家人回內地的老家過節。因為從來沒有自己做過月餅，所以我便決定跟外婆學習，自己的月餅自己來做！材料已準備就緒，我取來玉米油、枧水、糖漿、麵粉，倒入盆內，不停地揉，這月餅皮也太不聽話了，老是黏着我的手，費了好大的勁，才把它變成了光滑的麵團。放進冰箱冷藏片刻，我再把這些麵團分成小塊，做成了薄厚均稱的皮。看着這些皮，我笑了，看來我距離成功不遠了。

月餅餡兒閃亮登場，我把五仁餡、蓮蓉餡分別揉成圓形，再小心地包裹在皮裏面，待包裹嚴實後，就把它放進模具裏，用手按壓，再把月餅推出來，然後放進烤箱裏，以高溫烤焗。

當我打開烤箱，一股股香氣撲面而來，一個個金黃色充滿油脂、又有光澤的月餅出爐了！我終於成功了！

「每逢佳節倍思親」，我特別想念我的親人。今年的中秋過得不一樣，因為疫情的關係，我只能和媽媽一起過，顯得特別孤單。希望疫情快快離開，讓我可以和老家的親友團聚就好了。

英文科作品

1A Lo Ying Tung My Friend

This is Gigi.
Her T-shirt is pink.
Her skirt is purple.
Her shoes are pink.
She is beautiful and funny.

1A Lai Yik Sum My Friend

This is Joey.
His jacket is yellow.
His shorts are black.
His shoes are black.
He is handsome and nice.

1B Yeung Wai Lam My Friend

This is Anna.
She is my classmate.
She is in Class 1B.
She has two pencils and an eraser.
I like my friend.

2A Lui Yuet Tung A Day in the Forest

Paul and Ann are in the forest one day.

Paul and Ann are hot. Paul says, "Ann, are you hot?" Ann says, "Yes, I am. Let's take a rest." They are thirsty. Ann says, "Are you thirsty?" Paul says, "No, I'm not. I'm fine." They are hungry. Ann says, "I'm hungry." Paul says, "I'm hungry too. Let's eat some bread." They go to a candy house. They see a ghost. They run away. They feel scared.

2B Wong Ho Him My Friend – Ryan

My friend is Ryan. He is a polite pupil. He always says "Thank you".

He is a Maths subject leader. He helps others with Maths.

He is a good child at home too. He helps with housework. He washes the dishes and makes the bed.

1C Wong Ching My Friend

This is Belly.
She is tall and thin.
Her hat is green.
Her dress is blue.
She is beautiful.
I like my friend.

2C Wong Ching Yiu My Family

My name is Yoyo Wong. I am seven years old. I live in Tung Chung. I come to school on foot.

My mother is a housewife. She looks after our family. My father is a bus driver. He drives a bus. I have one sister.

I love my family. It is because my father and mother love me so much.

2D Chan Sui Hei My Friend – Mia

My friend is Mia. She is hard-working. She studies hard. She always gets good results.

Mia always studies at school. She is the English subject leader. She distributes homework to her classmates at school.

She is a good child. She is tidy at home. She makes the bed every day. I like her very much!

An Email

Hi Kate,

Christmas is coming. Let's find a date to have fun together. Our holidays are from 20th December to 2nd January. I'm free on 27th December. How about you?

I want to go to Ocean Park because I like watching animals and dolphin shows. I love going on the rides too.

How about you? Do you want to go to Ocean Park?

Write soon.

From,
Connie

My Favourite School Event

My favourite school event is Sports Day. It's on 16th September. Sports Day is for teachers and pupils. We have this school event because we want to have fun.

On Sports Day, we can have fun races. Also, we can play games. We have this school event on Tsing Yi Sports Ground.

I like Sports Day because it is great. I hope I can have Sports Day one more time.

 **3D Li Wenlong Tony**

A Day at a Fast Food Shop

Cherry wants to buy some food for Mum's birthday at Yummy Fast Food.

Cherry asks, "May I have a slice of pizza, a box of chicken wings and two cans of cola, please?" It costs 81 dollars but her purse is empty.

Cherry feels worried. She takes 81 stickers to buy the food. She feels happy.

 **3E Lam Chak Yu**

My Best Friend in Class

My best friend in class is Marco. He sits on my right. He has short hair and big ears.

Marco is talkative. He likes talking. He talks to me at recess. He plays basketball with me in the playground. He enjoys playing football. He got an A in the PE test.

I think Marco is a great friend because he always smiles.

 **4A Shirley Zhang**

Smart Shopping: Mum's present

Dear Apple,

My mum's birthday is coming. I want to buy her a mobile. Let me tell you what I choose for her.

I will buy Jelly Frozen for my mum because it is the best. I like Jelly Frozen because it is the cutest. Second, it just costs 40 dollars. Third, it is creative.

Firstly, I choose Jelly Frozen because it is cute. It looks beautiful and round. The face of the octopus looks cute. It is very adorable. To carry on, it is only \$40 dollars. It is very cheap for me. I can save a lot of money. Thirdly, it looks like an octopus. It is a creative idea.

In conclusion, I choose Jelly Frozen as a present for my mum. There are three reasons why I decide to buy it for my mum. It is cute, cheap and creative.

Tell me what you think about Jelly Frozen next time I see you.

Best,
Shirley

Smart Shopping: Mum's present

Dear Eason,

How are you? My mum's birthday is coming. I want to buy her a mobile. Let me tell you what I choose for her.

There are three mobiles. They are Fun Mobile, Blue Kelly Mobile and Cupcake Mobile. I think Cupcake Mobile is the best.

First, Cupcake Mobile is made of ribbons, a wooden stick, coloured paper and beads. It is more beautiful than Fun Mobile. Second, Mum likes pink. I think it is a good idea to choose a pink mobile. Finally, it only costs \$600. It is the cheapest among the three mobiles.

I think Cupcake Mobile is the best because it is the cheapest, the most beautiful and the most affordable. I hope my mum will like it.

Please write soon.

Love,
Neil

My Spare Time Activities

In my spare time, I do a lot of activities. I always play basketball. I often play table tennis. I sometimes play football too. I like them because they are very fun.

I like playing basketball because it's a relaxing activity. Although it's hot, I still play it because it is one of my favourite activities. I play basketball with my brothers and friends on the basketball court.

I often play table tennis too. It is my second favourite activity. I play table tennis with my friend, Swan. We play it on a ping pong table. I like it because it's very fun and relaxing.

I also like playing football but I don't play it very often. I just play it on Fridays. I play it with my cousins at the football court. I enjoy playing it with my little cousin. It's a good workout for my legs.

In conclusion, I like outdoor activities. They are fun.

Let's keep fit, Tommy!

Tommy was a fat boy. He was overweight. Last summer holiday, he spent a lot of time watching TV and eating junk food. He found it enjoyable.

After summer holiday, Tommy went back to school. At recess, Alice and Brian laughed at him behind his back. "Look! He is so fat!" Tommy was sad because he was overweight. He was worried about having fewer and fewer friends and being laughed at school.

When he got home, he decided to lose some weight. He realized that he ate too much junk food and he needed to eat more healthily. He watched cookery programmes to learn how to cook healthy food by himself. He was pleased. "I need to eat more fruit and vegetables," Tommy said.

Besides, Tommy watched fitness programmes to learn how to do exercise. He followed the physical trainer's instructions and worked out every day.

Half a year later, Tommy lost ten pounds and had a healthy lifestyle. Everyone was impressed. He felt happy. He also learnt the real meaning of the proverb of "No pain, no gain".

 **4B Chen Jing Nga**

My Spare Time Activities

In my spare time, I do a lot of activities. I like swimming, playing basketball and playing football.

I always go swimming on Fridays. I go swimming with my friends in the swimming pool. I am not good at swimming but I enjoy swimming.

I always play basketball at weekends. I play basketball with my friends on the basketball court. I like playing basketball because it is exciting.

I sometimes play football at weekends. I play football with my friends in the park. It is fun because I am good at playing football.

I enjoy doing these activities. They are exciting. They make me feel relaxed.

 **4E Sepe Alexandria Maxene Punzal**
My Spare Time Activities

In my spare time, I do a lot of activities. I like drawing pictures, playing online games and playing board games.

I love playing online games because I can play it with my siblings and it is fun. I always do this activity on Mondays. We play it at home.

I like playing board games because it is fun and exciting. I play it with my friends every Sunday in my house. It also helps me develop my brain so I can be more patient, smart and thoughtful before I do something. I also play games like chess and checkers.

I like drawing because I can draw whatever I want. It also feels like I am free to do whatever I want. I do this activity at home at weekends. I do it with no one because I like being alone sometimes.

In conclusion, I enjoy indoor activities. They are fun and relaxing.

 **4G Cheung Po Yi, Regina**

Let's keep fit Tommy!

Tommy was a fat boy. He was overweight. Last summer holidays, he always stayed at home and ate a lot of junk food such as potato chips, cookies and chocolate. He drank too much cola too. Tommy was joyful. He thought, "The food is great!"

After the holidays, Tommy went back to school. When he went into the classroom, Ben and May started to gossip about him. They said, "Look at him. He is so fat!" Tommy felt angry and sad.

The next day, Tommy started to keep fit. He watched a cooking programme and prepared some vegetables and fruit to make healthy salad. He thought, "Too much junk food is bad for me. I need to eat healthily." He also watched a fitness programme and did exercise on Tuesdays, Thursdays and Saturdays. He was tired but cheerful. He said, "I like this fitness programme. I need to do more exercise!"

Two months later, Tommy went to school again. His classmate Ben saw that he was thinner than before. He said, "I'm sorry for laughing at you before. It's good to be healthy." Tommy replied, "It doesn't matter." May also said sorry to Tommy. She said, "Can we be friends again?" Tommy was pleased. He said, "Of course!" He learnt that it is important to eat healthily and do more exercise every day.

Old Hong Kong

The old Hong Kong is very different from what it is nowadays. I am going to talk about the entertainment, housing and transportation in old Hong Kong.

Firstly, there weren't any computer games in old Hong Kong. Children played with bean bags. They played hopscotch and played with paper toys. They also made toys by themselves. They always played with their siblings, friends and neighbours at home. I think it was so fun and exciting.

Besides, there weren't many ways to travel in old Hong Kong. People travelled by tram, ferry or on foot. There were ticket sellers on the tram. There weren't any air-conditioners on it. I think travelling by tram was so slow but cheap.

There were also housing estates in 1960s and 1970s. There were chairs and buckets in people's flats. There weren't any microwaves or mobile phones. I think their flats were packed and stuffy.

In conclusion, the old Hong Kong is very different from Hong Kong nowadays in the aspects of entertainment, housing and transportation. I like Hong Kong nowadays because there are a lot of high technology products I can play with!

Little Red Hoodie Learnt a Lesson

Once upon a time, there was a girl called Little Red Hoodie. She liked wearing a red coat with hood. One day, her mum wanted her to send some medicine to her grandma because she was sick. Before leaving, her mum told her, "There is a big bad wolf living in the forest. Don't ..." Mum didn't finish what she said but Little Red Hoodie ran away.

On the way, Little Red Hoodie met William the Wolf. He asked her, "Where do you want to go?" "I want to go to my grandma's house and send her some medicine," Little Red Hoodie replied. Then, William the Wolf took another path to go to her grandma's home.

After a while, Little Red Hoodie arrived at Grandma's home. "Knock! Knock! Knock!" Little Red Hoodie knocked at the door. She came in and said, "Grandma, I give you some medicine." Disguised Grandma said, "Thanks!" When Little Red Hoodie got closer to the bed, William the Wolf jumped to the ground. "You aren't my grandma!" Little Red Hoodie yelled. "Yes! Hahaha!" William the Wolf laughed. Little Red Hoodie was dumbfounded, "Help! Help!" The scene was seen by a bird called Tina and soon she flew away.

Suddenly, a hunter came into Grandma's house because Tina the Bird told him to go there. "Yeah! A hunter came!" Little Red Hoodie said. "What? Oh no!" William the Wolf ran away. Then, Little Red Hoodie asked, "Where is my grandma? She must be eaten by William the Wolf!" "Why are you two here?" Grandma asked. She didn't know what happened because she was sleeping in the garden before the wolf came. Little Red Hoodie told her grandma the episode.

"What have you learnt?" Grandma asked. "I've learnt that we shouldn't believe strangers and don't talk to them," Little Red Hoodie answered. "Yes, you're right," Grandma said. Then, Little Red Hoodie went back home with heartfelt delight.

Water Candle

Do you find that we produce a lot of rubbish in our daily life, such as idle glass vessels, marbles and plastic bottles? Making a water candle allows us to recycle these items that have been lying around the house. It is made of water and cooking oil. It can be a very versatile decorative candle for events, whether it's a birthday party, wedding party, or just a cozy dinner at home.

To make this invention, you need a glass vessel, a candle wick, cooking oil, plastic bottles, marbles, scissors and some sticky tape. First, use a pair of scissors to cut a circle out of a clear plastic bottle. Next, poke a hole in the middle of the circle. Then, thread the circle with a wick. After that, use the tape to fix the wick. Next, fill the vessel with glass marbles. Then, pour in water and cooking oil. Finally, press the floater into the cooking oil.

It is surprisingly easy to make the water candle. It is also a perfect way to personalize any parties at home.

 **5C Wang Shun Ching**

Little Red Riding Hood

Once upon a time, there was a girl called Little Red Riding Hood. She lived in the forest. One day, her mother said, "Little Red Riding Hood, take these blue cookies to Grandma." Little Red Riding Hood took the blue cookies. She was ready to give them to Grandma.

On the way, Little Red Riding Hood met a big wolf. The wolf asked, "Where are you going?" Little Red Riding Hood said, "I am going to my grandma's house." After hearing this, the wolf ran to Grandma's house. He locked Grandma in the closet. He dressed as Grandma, lying on her bed and waiting for Little Red Riding Hood to come to her house.

Then Little Red Riding Hood arrived at Grandma's house. She saw Grandma lying on the bed. She didn't know that the grandma lying on the bed was a big wolf. She said, "Grandma, Mum asked me to bring you some cookies." Later, Little Red Riding Hood sat on the bed.

Suddenly, the wolf took off Grandma's dress. Little Red Riding Hood was startled when she saw that it was a big wolf. The wolf opened his mouth to eat Little Red Riding Hood.

Finally, Grandma jumped out of the closet and knocked the big wolf out. She dragged him into the jungle. Grandma and Little Red Riding Hood then ate cookies happily.

An Email

Dear Grandparents,

How have you been? I went on a study tour to China last month. The weather was wonderful. Let me tell you more about it.

I stayed with my host family. Their house was big. The house was made of wood, grass and glass.

I have been to China many times. I went on the rides in an amusement park. Also, I took photos with cartoon characters. I was excited.

I think China is a wonderful place. I want to go there again because we had so much fun there.

See you soon!

Love,

Jay

Environmentally Friendly Storage Container

Do you ever find your desk too messy? The environmentally friendly storage container can solve your problem. It is made of paper boxes. It can be used for collecting both big and small things. It is foldable. You can put it on your desk and it doesn't take up much space.

To make this invention, we need a box, a pair of scissors, some glue, stickers and colored paper.

First, cut the boxes. Then, paste the colored paper on them with glue. After that, stick the boxes together. Next, get a bigger box. Finally, put some stickers on it and it's done.

I think this invention can help you get rid of the mess on your desk and it is space-saving. Make one now!

 **5F Ella Cheng**

An Email

Dear Grandparents,

How have you been? I went on a study tour to London last month. The weather was good. Let me tell you more about it.

I stayed with my host family. Their house is located in the centre of London. It is a two-storey house made of bricks. I like this house as it is cozy.

The host family and I visited some scenic spots like Big Ben, the Buckingham Palace and the London Eye. We tried some local food like fish and chips and cottage pies. I like drinking Earl Grey tea so much.

I think London is an amazing place. I will go there again because I want to visit other cities in England.

See you soon!

Love,

Ella

A Quarrel with a Friend

Thursday, 19th May, 2021

Cloudy

What a terrible day! Today at recess, I heard my name, so I turned around and heard Gigi and Ava talking something bad. 'Sandy always lies. She is rude. She is not kind either ...' 'I was furious so I slapped Gigi's face. Then, she slapped me and grumbled angrily, 'Crazy girl!' I was really shocked and angry because my best friend said something awful and still said I was crazy.

At the next recess, I went to Ava and asked for the truth. Ava said, 'She didn't say anything bad about you,' she continued, 'The girl we were talking about was "Candy" but not "Sandy".' 'Oops!' I said guiltily. I ran to Gigi and apologised to her. Gigi apologised to me too.

I felt much better. I learnt that friends shouldn't fight with each other. When friends say something, we should listen carefully.

6A Gao Vicky

Christmas

Christmas is a special festival that is celebrated all over the world. It is celebrated on 25th December. It is a time for people to celebrate the birth of Jesus.

In some western countries, people eat turkey. Turkey is nutritious and delicious. People eat gingerbread and cakes to celebrate the festival too! In Japan, people eat strawberries and people eat apples, candies and roast chicken in China at Christmas.

There are some interesting Christmas traditions. Before Christmas, Christmas trees are bought and decorated beautifully at home. On Christmas Eve, red socks are hung on the bed because Santa Claus will climb down from the chimney and stuff Christmas presents to the socks. At Christmas, red clothes and Christmas hats are worn and Christmas presents are given to children. On Boxing Day, children, like us, can unwrap the presents. It is exciting.

I like Christmas because I can receive gifts from Santa Claus and my family. I love the festive food. I like the candies best! I can play with my friends too! Last year, our family got together for dinner. We ate gingerbread and candies like chocolate and candy canes. I like chocolate very much! We bought a strawberry Christmas cake. It was very pretty!

6B Tang Sze Man

My Favourite Festival

People celebrate Chinese New Year in China and Hong Kong in February. It is a wonderful time for people to celebrate together.

At this festival, red packets are given to the children and lion dances are performed. Also, people eat rice cakes, turnip cakes, deep-fried sweet dumplings and sesame.

In addition, people wear red clothes in Chinese New Year. We celebrate happily together among families and friends.

I like Chinese New Year because I can have reunion dinner with my family. I celebrated it with my families and friends last year. We decorated homes with red paper together.

6C Li Pui Yan

Mid-Autumn Festival

My favourite festival is Mid-Autumn Festival. During Mid-Autumn Festival, people carry lanterns and eat mooncakes to celebrate.

For food, people eat mooncakes as a tradition. They also eat a lot of fruits. People wear normal clothes. In addition, people look at the moon.

I like Mid-Autumn Festival because it is fun and people can eat mooncakes and carry lanterns. People feel excited, exhilarated and joyful during Mid-Autumn Festival. I ate mooncakes last year.

In conclusion, Mid-Autumn Festival is my favourite festival. People celebrate it every year.

6D Tang Ka Chun

Chinese New Year

Chinese New Year is our Chinese traditional festival. The date of Chinese New Year is different from the others because it is according to the Chinese calendar. It represents a new start with good luck.

In this festival, we wear new clothes and shoes because we all wish that it will bring good luck for us. We decorate our home with red paper. Decorations are usually red because red is a lucky colour.

In addition, we also like visiting our friends and relatives. We wish them wealthy and healthy in the coming year. At this time, we eat some traditional food such as rice cakes, turnip cakes, deep-fried sweet dumplings and sesame balls. The most important thing for children is that they get red packets from parents and relatives. They are very happy.

I like Chinese New Year since I can get red packets to buy toys, new sports shoes and an iPhone. I enjoy playing with my best friends. We can watch Spring Festival Gala together in the evening.

6E Tsang Ho Hin

Myself

My name is Hollis. I am eleven years old. I study in HKFEW Wong Cho Bau School. It is in Tung Chung. I have a little brother. He also studies in this school.

I often get high marks in my tests so teachers think I am a clever and hard-working boy. I am outgoing and kind. I get on well with my classmates.

I like reading science books in my free time. I think they are useful. I can learn different knowledge. I always go to the library on Sundays. I am a librarian in my school too. I like this job very much because I want to help schoolmates and teachers.

I am good at General Studies because I am interested in it. It includes Science, Astronomy, Geography and so on. I like Astronomy best. I am weak in PE because I am fat. I need to do more exercise so that I will be fit.

I want to be a vet when I grow up because I want to help pets. I need to be caring and patient. I will treat sick animals and make their owners happy if I become a vet.
